## From Our President: Referrals

Due to changes in the way the public finds information and makes its contacts, TAMTA must change the way it handles student referrals. In the not so distant past, Theresa Finck would field 60 to 80 telephone referrals a month. In the past six months, she has been lucky to receive 60 calls total. TAMTA spends \$47 a month for phone service and over \$800 a year for a yellow pages listing. If you do the math you will see that we are no longer getting value for the money. Last Friday the board voted to cancel the telephone service.

There are a couple of things that you need to do to get referrals.

#1. **Get Listed Online with OMTA.** In the April OMT, you will find the following announcement: "If, after paying 2007-2008 dues, you would like all information to be listed in an online directory as a part of our OMTA website, please send a letter to Dr. Tom Labe so requesting. The postmark deadline is July 1, 2007. His e-mail address is: [tlabe@cameron.edu](mailto:tlabe@cameron.edu). His fax number is (580) 581-5764. His mailing address is: Dr. Thomas Labe, Cameron University, 2800 W. Gore Boulevard, Lawton, OK, 73505-6377.

#2. **Get Listed Online with TAMTA.** We are working to make the TAMTA website more accessible to people who place an online search for "Tulsa music teacher" or "Tulsa piano teacher". We will use the

TAMTA website, [www.TAMTA.org](http://www.TAMTA.org), as our primary contact for parents who are looking for a piano teacher or any music teacher.

**You must let me know ([gmacha@cox.net](mailto:gmacha@cox.net)) if you *do not* want your name on the website referral list. All names will be listed, unless I am notified.** We plan for the website information to be in place by June 1st. Names will be organized by area. TAMTA also has an e-mail address for those who wish to contact TAMTA that way. Theresa Finck will monitor these incoming emails.

Other organizations have a huge presence on the web and we also need to make ourselves known. With some thought, one will realize that being listed on the internet is no different than being listed in the telephone directory. One difference is in the listing of email addresses. I am considering not listing e-mail addresses. **Let me know if you want your e-mail address listed.**

Tulsa Accredited Music Teachers Association has had a great year and it is alive and well and planning for next year's activities. In the recent past my feelings have been "A change would be for everything to stay the same for just a little while." As times change, we also have to make changes.

Judy Macha, TAMTA President
